**WARNING:**

- Do not use any Shockles product to directly suspend or hold any loads or as a personal tether. Not for climbing or for use as a static line.
- Always consult with a qualified engineer for any special applications.

AVERTISSEMENT :

- N'utilisez aucun produit Shockles pour suspendre ou tenir directement une charge ou en tant qu'attache personnelle. Il n'a pas été conçu pour l'escalade ou comme sangle d'ouverture automatique ;
- Demandez toujours l'avis d'un technicien qualifié pour toutes les applications spéciales.

WARNUNG:

- Verwenden Sie ein Shockles Produkt keinesfalls, um Lasten direkt zu tragen oder als Halteleine. Nicht zum Klettern oder als statische Leine geeignet.
- Fragen Sie bei speziellen Anwendungen immer einen qualifizierten Techniker.

AVVERTENZA:

- Non utilizzare alcun prodotto Shockles per sospendere direttamente o sostenere alcun carico, oppure come imbragatura per persone. Non sono adatti per arrampicarsi o come cime statiche.
- In caso di utilizzi particolari, consultare sempre un tecnico specializzato.

ADVERTENCIA:

- No utilice ningún producto Shockles para suspender o sostener ninguna carga o como correa personal. No es para escalar o para uso como línea estática.
- Siempre consulte con un ingeniero calificado para cualquier aplicación especial.

Unique designs engineered in the USA. Patented.

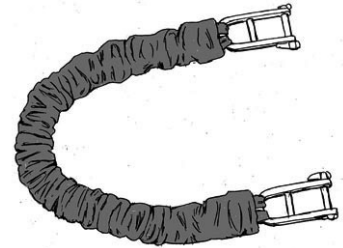

Shockles LineSnubber

Reduces tension on dock lines—compensates for surge. Patented line stretch limiter and progressive tension design. Also useful for towing, tie-downs and preventers. Two 316 s.s. carabiners. 20 inches (51 cm) long.
 #2400 Blue
 #2410 Black

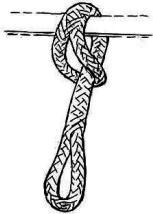

DockShockle

Designed for smaller, lighter boats up to 40 feet (12 m). Two 7 inch (18 cm) Mini-LineGrabbers included for quick and easy attachment or adjustment. Use on braided or twisted line from 3/8" to 3/4" (10–19 mm).
 12 inches (31 cm) long.
 #2415 Black

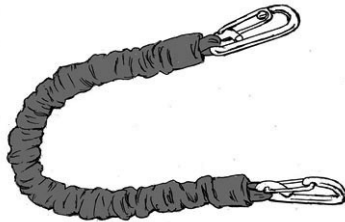

AnchorSnubber

Reduces tension on anchor chain, rode or snubber line. Eliminates chain noise and shock loads in bumpy anchorages. Helps keep anchor set. Protects roller, windlass and cleats. Two 316 s.s. captive key pin shackles. 20 inches (51 cm) long.
 #2420 Black

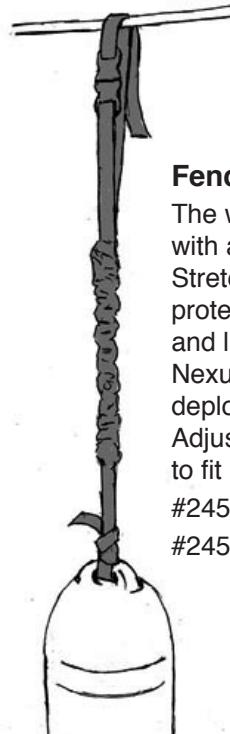

LineGrabber

Add a strong, instant attachment point to any line up to 1" (25 mm) by using a simple Prusik hitch. LineGrabber is made of UV resistant, Ultra High Modulus Fiber rated at 2200 pounds SWL (1000 kg). A great companion product for use with Shockles LineSnubber. Measures 9" (23 cm) long with a spliced & sewn loop at each end.
 #2460 Pair

MiniShockle

This is a bungee cord on steroids. MiniShockles hold up to 300 lbs. (136 kg) to protect your valuable gear. Ten times stronger than a standard bungee cord.
 #2430 Black 12" (31 cm)
 #2440 Black 18" (46 cm)
 #2445 Black 24" (61 cm)

FenderFriend

The world's only fender whip with a built-in shock absorber. Stretches up to 12" (31 cm) to protect rails, cleats, stanchions and lifelines from shock loads. Nexus® nylon buckle makes deploying fenders a snap. Adjusts from 16–72" (0.4–1.8 m) to fit most boats.
 #2450 Twin eye, black
 #2455 Center tube, black
