ASA BOTELHO

Casa Botelho is about to unveil its newest textile collaboration with Margo Selby, and a rug collaboration with Jennifer Manners. The Atena armchair boasts strong lines and a vintage vibe inspired by Parisian interiors. Showcasing its masculine strength in the robust, walnut frame, this is complemented by the striking Rio fabric, bringing glamorous comfort to any space.

HAMILTON LITESTAT

Hamilton Litestat returns to Decorex 2017 to reveal its new 'primed finish' switch plate and socket solutions. Launching in its sleek and modern Hartland CFX® and Sheer CFX® designs, the primed finish can be painted to match any wall colour, wallpaper or soft furnishings, making customisation even more accessible and unique.
