

JOIN OUR DESIGN TALK

From Fashion to Interiors: **Livingetc** and Design Centre, Chelsea Harbour invite you to an inspiring panel discussion

Whether you're a fashion lover or an interior design fanatic, join our three leading tastemakers and **Livingetc** editor Suzanne Imre for this captivating discussion, From Fashion to Interiors. As couturiers aunch their own homeware lines and the distinction between the industries continues to blur, our panel will share their experiences and design knowledge.

Get tips and design inspiration from experts known for their unique approach

João Botelho Founder of Casa Botelho

João is fascinated with the redesign of space. His 22-year career in global luxury retail, most recently with Donna Karan, has shaped his interiors style.

Jo Berryman
Interior designer,
Jo Berryman Studio

After co-founding a fashion emporium in 2006, Jo applied her insight to interiors – fusing enduring design with hip innovations.

Christopher Dezille Interior architect and designer, Honky

With over 25 years in the industry, Christopher's creativity and eye for detail make his designs worthy of the many awards he's won.

Suzanne Imre Editor of Livingetc

Suzanne has evolved the magazine into a contemporary style bible with an approachable yet aspirational take on modern living and interiors.
