

LIGNUM RETAIL SERIES

LED SPOT LG-58

مہا بازار

The amazing LG-58 spot light is one of the smallest and cheapest of its kinds.

It is implemented in those retail outlets where exact color representation and a very bright and vivid product presentation is of great importance. The 15 degrees narrow beam allows you to exactly pinpoint the merchandise that you want to highlight. The layout of the LED, deep inside the housing and the black antiglare ring, creates great comfort to the visiting customer with hardly no glare.

- Vivid and Bright colors almost sunlight comparable
- High CRI of 80
- Narrow beam of 18 degrees
- Energy efficient
- Maintenance free
- Very long 40.000 hours lifetime
- Smallest housing of its kind
- Comfortable low glare
- 3 phase Powergear in-track adapter
- Samsung COB LED
- Solderless LED installation
- 5 years warranty
