LIGNUM RETAIL SERIES LED SPOT APEX RGB

The amazing Apex RGB spot light is truly unique. It is the evolution of its predecessor the Broadway spot. It is more refined and more elegant and has smaller dimensions. With its integrated multi current driver and its RGB color changing housing, this product is your pick for your store or gym at those positions that need extra attention or atmosphere. The 15 degrees narrow beam allows you to exactly pinpoint the merchandise that you want to highlight. The integrated driver can be set at 3 drive currents. The layout of the LED, deep inside the housing and the antiglare ring, creates great comfort to the visiting customer with hardly no glare. With 1 optional lens, any light setting can be made.
