

# AirMedic Pro 5 ultra VOG

## Optimal Air Filtration for Homes & Businesses

The AirMedic Pro 5 Extra HD VOG is an air-purifying unit designed specifically to adsorb the dangerous chemicals, gases and toxic particles emitted from volcanic smog, or vog. The deep carbon beds of the AirMedic Pro 5 Extra HD VOG provide increased chemical filtration, which is ideal for residents and businesses located within 100 miles of a volcano. This unit (without UV) is ARB certified for California.

### Why AllerAir Air Purifiers

Backed by unparalleled expertise in air quality control and a superior filtration system, AllerAir air cleaners are individually customized to target the airborne pollutants of concern in the environment. Our units offer more filtration media than any other manufacturer, with the deepest carbon bed filters for chemicals, gases and odors, and superior superHEPA filters for particle control.

### Cleaner Indoor Air

Clean air is recognized as a vital component for overall comfort, workplace health and safety as well as productivity. According to research from leading organizations like the EPA, WHO and Health Canada, indoor air pollution may pose more of a public health risk in North America than outdoor air pollution.
