Assembly Instructions For The Hickory Arm Chair

Parts List: Chair (1) Right Arm (1) Left Arm (1) Hardware: 1/4" x 1-3/4" Bolts (4) Allen Wrench (1)

- Step 1 Place the chair on a level surface.
- Step 2 Take a chair arm and two 1-3/4" bolts. Align the predrilled hole on the back of the arm with the threaded insert on the side of the chair back. Insert a bolt and turn into the insert with the allen wrench provided and tighten.
- Step 3 Now align the predrilled hole on the bottom of the arm brace with the threaded insert on the side of the chair seat. Insert a bolt and turn into the insert with the allen wrench and tighten. Fasten the other arm the same way.
