

Assembly Instructions For The Poly End Table & Coffee Table

Tools Needed For Assembly

7/16" Wrench
7/16" Socket

Parts List

Table Top (1)
Leg Assembly (1)

Hardware

1/4" x 2-1/4" Hex Bolts (2)
1/4" Washers (2)
1/4" Lock Nuts (2)

Step 1 Lay out and identify all the parts and pieces.

Step 2 Lay the top upside down on a clean surface.

Step 3 Take the leg assembly and line up the holes on top of the legs with the holes on one end of the 1"x2" braces on the bottom of the table top. The leg assembly fits inside the 1"x2" braces. Put the 2-1/4" bolts through the holes in the brace, and through the holes in the leg assembly. Put on a 1/4" washer & 1/4" lock nut and tighten with the wrench and socket. (Do not overtighten the nuts or the table will not fold up). The 1"x1" brace on the other end of the legs latches inside the brace on the bottom of the table.
