**The principle ingredients in this new non-arsenic formula contain only copper and azole, an organic fungicide used on vegetables.**

## ASSEMBLY INSTRUCTIONS

### WARNING

Bolts on furniture should be checked often and tightened as needed.

Never stand or allow children to stand in this swing! Do not allow anyone under or behind swing when in motion.

FOR RESIDENTIAL USE ONLY. NOT FOR USE AS A STORE DISPLAY.

Should disposal ever become necessary, do not burn. Dispose of in a landfill.

### Important Furniture Care

Unless used under cover, a coating of water repellent should be applied to the surface at least once a year or this swing may be painted with an outdoor paint. It can be painted or stained immediately. This will slow the natural aging process and reduce surface checking. This product is manufactured from re-dried pressure-treated pine.
