CLUB CHAIR LE™

COMPACT MANI/PEDI CHAIR WITH RETRACTABLE FOOTBATH

The Club Chair LE™ is the industry's most compact luxury mani/pedi chair, featuring a retractable, motorized, fully plumbed pedicure bowl. The retracted footprint is similar to that of a standard armchair, it's an incredible space saver. The luxurious, bespoke Club LE™ is hand upholstered from a broad array of fabric selections and finishes. Electronic chair, back, and bowl adjustments enable perfect client and technician ergonomics. The hidden pedicure unit features whisper quiet, reliable pipeless hydrotherapy, and is packed with practical features including a hand sprayer, power remote drain, and electronic footrest.
