

Spring Bloom Checklist

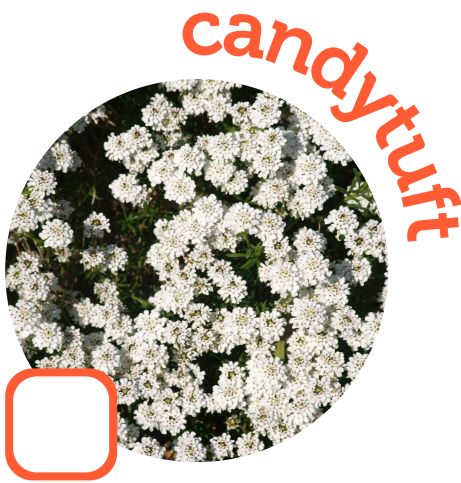

They bloom close to the ground and the petals can be purple, yellow, or white.

They are tall with flat, green leaves. There are six petals that surround a "trumpet." They are mostly yellow, but some might be white or orange.

Tulips are shaped like a cup and can come in all colors of the rainbow.

These blooms can be white, pink, red, or purple, with dark green leaves, growing close to the ground.

Dark green leaves and bright yellow petals, these flowers grow close to the ground.
