

**MG Series**

- Features a rugged stainless steel shell body (304, 303, 316L combination), with a polychloroprene insert.
- Reverse bayonet-locking quick positive coupling
- Contacts – copper alloy base, silver/gold plated, solder termination
- Power option – 3P+E & 6P+E, 23A per contact, 500V, 2.5mm<sup>2</sup> wire size
- Control/signal option – 5, 7, 10, 14 & 17pole, 13A per contact, 500V, 1.5mm<sup>2</sup> wire size
- Made in India

**PROCON Series**

- Connection techniques – crimp, screw & Insulation displacement (IDC)
- Available in wall-mount, panel-mount, top & side entry hoods, and extension (coupler) hoods
- Locking options in single or double-lever format
- Levers in plastic with stainless steel locking elements
- Made in Germany

**UTS Series**

- IP68/69K sealing with maximum weather protection for outdoor use
- Hiseal version offering solder termination with IP68 sealing in an un-mated condition
- Available in 2 to 32 contact options; crimp, screw and solder terminations
- IEC and UL approvals fit for indoor/outdoor applications
- Temperature ratings of -40°C to +105°C, with RoHS and REACH certifications
- Made in France

**UTO Series**

- IP68/69K sealing with shielding capability for use in harsh environments
- Ideal for robotic applications and machinery with high movement or vibration
- 2+E up to 61 contact arrangements; various current/voltage specs depending on arrangements
- CE and UL approvals
- Made in France

**TT Data Series**

- IP67 RJ45 and USB connections
- Qualified to CE 60309-1, 60695-2, 61984-2009 standards
- Ideal data connection in an IP rating configuration
- Made in Turkey.

**WP Series**

- IP68 plastic connectors in screw-termination (10 metres/60 minutes)
- 20 A, 250 VAC; 2, 3, 4, 6 pole versions; wire sizes of 6 mm OD up to 14 mm OD
- Cable mount, panel mount, cable-joiners, T-junction joiners
- CE and EN approvals
- Made in Turkey

**M8/M12 Sensor Series**

- M8 (3/4 pole), M12 (4/5/8 pole)
- IEC 61076-101/61076-104
- Cordsets, field-wireable & panel-mt versions
- IP67
- Designed in Germany.
