# RusticSeries™ Siding Collection

SUMMER WHEAT on Allura Fiber Cement

## Composite siding with the appearance of wood.

RusticSeries™ brings you the best of both worlds; the beauty and warmth of real wood on durable fiber cement and composite siding. This two tone factory applied coating system improves the curb appeal of your home, and is warranted for 20 years. RusticSeries™ will shield you from the elements and provide you with a lasting, beautiful siding product for years to come.

- 20 Year Coating Warranty
- 18 Designer Colors
- Lap, shakes and panel profiles available
- Factory coated for consistency and durability

## Two-tone perfection.

Create a picture perfect exterior with our eighteen RusticSeries™ colors; select the perfect combination to suit your individual style. RusticSeries colors below are shown with a suggested solid color trim to complete the look.

<b>SUBSTRATE</b>	James Hardie Fiber Cement, Allura Fiber Cement, LP Smartside
<b>PROFILE</b>	Lap siding, panels, shake panels
<b>WARRANTY</b>	20 year coating warranty, plus substrate warranty
<b>COLORS</b>	18 color options

Note: RusticSeries™ replicates the natural beauty of wood. Each substrate and each profile of this product varies in terms of grain pattern and color variance. Due to limitations of the printing process, actual color may vary from the color shown. Refer to a physical sample for approvals.

# RusticSeries™ Siding Collection

ASPEN RIDGE on Allura Fiber Cement

COASTAL GRAY on James Hardie Fiber Cement

OLD CHERRY on Allura Fiber Cement

SAND CASTLE on James Hardie Fiber Cement

SUMMER WHEAT on Allura Fiber Cement

**A complete siding solution.**

Matching caulking colors are available on our website.

**Great siding for decades.**

RusticClarity™ can help restore your home to it's original luster.

**Finish it with trim.**

We've provided a solid trim option for each RusticSeries™ color.

# Chrometallics™ Siding Collection

## Reimagine metallic siding.

A luminous metallic finish by Sherwin Williams on durable fiber cement and engineered wood siding products. A stunning, cost effective and easy to install replacement for aluminum and metal siding systems.

<b>SUBSTRATE</b>	James Hardie Fiber Cement, Allura Fiber Cement, LP Smartside
<b>PROFILE</b>	Smooth lap siding, panels
<b>WARRANTY</b>	15 year coating warranty, in addition to substrate warranty
<b>COLORS</b>	8 color options

## Breaking new ground in metallic siding.

Luminous metallic finish on durable fiber cement and engineered wood siding products. Create an astounding architectural appearance for your hospitality, residential, and commercial projects. Choose from eight luxurious color formations.

- Simple alternative to difficult installation and jobsite handling of metal siding
- Suitable for install with a variety of metal trim styles
- Proprietary technology designed with Sherwin Williams

Note: Each substrate and each profile of this product varies in terms of grain pattern and color variance. Due to limitations of the printing process, actual color may vary from the color shown. Refer to a physical sample for approvals.

# ColorSelect™ Siding Collection

## Solid color lap siding, shakes, panels and trim.

A palette of 20 hand chosen colors and an array of custom options means you can get involved in the design process and create the look you want for your home. We provide an unparalleled 30 Year NO FADE limited warranty, including a 15 Year labor component, reducing your maintenance and recoating requirements. Custom colors are available upon request.

- 30 Year Coating Warranty
- 20 Designer Colors, custom color matches available
- Enhanced technology by Sherwin Williams
- Factory coated for increased consistency

## Your home, your way.

Make your home your own with our twenty ColorSelect™ color options; stand out from your neighbours or blend in, the choice is yours. Your home is your biggest investment, create a space that you'll love for years to come.

<b>SUBSTRATE</b>	James Hardie Fiber Cement, Allura Fiber Cement, LP Smartside
<b>PROFILE</b>	Lap siding, panels, shake panels, trim
<b>WARRANTY</b>	30 year coating warranty, plus substrate warranty
<b>COLORS</b>	20 color options

Note: Each substrate and each profile of this product varies in terms of grain pattern and color variance. Due to limitations of the printing process, actual color may vary from the color shown. Refer to a physical sample for approvals.

# Wall & Ceiling Collection

## Designer Inspired

Bring the warmth of wood into your home with our range of solid and stained paneling products. Add a custom touch to wine cellars, game rooms, and open living spaces. Choose from ten color options to suit your project.

<b>SUBSTRATE</b>	Knotty, appearance grade SPF
<b>PROFILE</b>	1x6, (11/16 x 5.25") v-groove, penny gap, beaded, circlesawn
<b>WARRANTY</b>	15 year coating warranty
<b>COLORS</b>	10 color options

TRADITIONAL - AMERICAN NUT BROWN

FINELINE - IRISH CREAM

Note: This product is not warranted for siding applications. Wall + Ceiling panels are manufactured from a knotty SPF. If a blemish free appearance is desired, we recommend putty to fill any natural imperfections and a solid top coat to finish the look.

### 1x6, end-matched wood paneling.

This beautiful and durable wood wall and ceiling paneling features four different profiles that come prefinished in ten designer inspired colors. Manufactured from knotty, appearance grade SPF, the Wall + Ceiling Collection is available as 1x6 T&G profiles for interior and protected exterior applications.

- 15 Year Limited Warranty
- End-matching prevents waste and allows for faster installation
- Custom designed, high-quality, semi-transparent stains enhance the natural beauty of your home
- Pre-finished materials save time and labor costs during installation

# Wall & Ceiling Collection

## Truly Versatile.

Enhance the character of your home with real wood paneling for your walls and ceilings. These four beautiful profiles are a great fit for vaulted ceilings, accent walls and the ceilings of outdoor living spaces.

### Fineline

A modern, end-matched, square edge, knotty profile.

### Traditional

A classic v-joint tongue and groove wood paneling profile.

### Beaded

Edge and center bead that creates the traditional beadboard profile

### Circlesawn

V-groove, lightly resawn profile to enhance barnboard effect.

## Pre-finished tongue and groove paneling.

This modern wood wall and ceiling paneling features an end-matched, square-edge profile that comes prefinished in seven unique colors. Manufactured from knotty, appearance grade SPF, our Fineline profile paneling is available as a 1x6 T&G profile for interior and protected exterior applications.

- 15 Year Limited Warranty
- End-matching prevents waste and allows for faster installation
- Custom designed, high-quality, semi-transparent stains enhance the natural beauty of your home
- Pre-finished materials save time and labor costs during installation

Note: This product is not warranted for siding applications. Wall + Ceiling panels are manufactured from a knotty SPF. If a blemish free appearance is desired, we recommend putty to fill any natural imperfections and a solid top coat to finish the look.

# Shiplap Wall & Ceiling

## Bright and versatile.

Our shiplap is a lovely addition to any living space; bathrooms, kitchens, accent walls and fireplaces. Add some texture and personality to your home with a smooth, blemish free shiplap! Choose a pop of color that suits you.

<b>SUBSTRATE</b>	Clear engineered pine
<b>PROFILE</b>	1x6 or 1x8, penny gap, T&G panel
<b>APPLICATIONS</b>	Interior wall and ceiling
<b>COATING</b>	White primer

## 1x6 and 1x8 penny gap, shiplap look.

Shiplap is a refined classic. Create a beautiful, healthy wood interior with the natural warmth of real, sustainable wood. The classic shiplap appearance has been reimagined with superior product features and arrives factory coated in white primer, ready for onsite top coating.

- Clear engineered pine for a blemish free appearance
- Factory primed, ready for top coat in the color of your choice
- Tongue and groove profile makes installation simple
- Pre-primed materials save time and labor costs during installation

Note: This product is for interior ceiling or wall installation only, no exterior applications are recommended. The product should not be stored outdoors, dry storage is required for protection. A finish coat must be applied to product onsite.

**Structurally certified, engineered SPF post.**

Designed by builders and preferred by engineers as a structurally certified product, RealPost™ has become the new standard in single-family and multifamily applications. Manufactured from premium locally sourced SPF that has been finger-jointed, edge-laminated and pressed, the final product is hollow and warranted against warping, twisting and joint separation.

<b>SUBSTRATE</b>	Knotty, appearance grade SPF
<b>WARRANTY</b>	15 year warranty against manufacturer defect
<b>CERTIFICATION</b>	Intertek (US), CCMC (Canada)

**One piece, engineered corner solution.**

Homeowners spend hundreds of dollars and hours of time on caulking and sealants in order to fix unsightly corner separation and cracking. With this unique, one-piece, engineered structure, your risk for seam separation is mitigated. Because of the engineered nature of the product it is available in specified lengths.

<b>SUBSTRATE</b>	Knotty, appearance grade SPF
<b>WARRANTY</b>	15 year warranty against manufacturer defect
<b>APPLICATION</b>	Suitable for inside and outside corners

## Structurally certified, engineered WRC post.

Western Red Cedar hollow, engineered, solid and finger-jointed structural posts bring natural warmth and beauty to your home's exterior. This column is structurally certified in both the US and Canada and has a hollow core, ideal for lighting cords. The kiln-drying process significantly reduces splitting, warping or twisting. Product comes uncoated.

<b>SUBSTRATE</b>	Knotty, appearance grade WRC
<b>WARRANTY</b>	10 year warranty against manufacturer defect
<b>CERTIFICATION</b>	Intertek (US), CCMC (Canada)
