

# Wood Stain (water-based)

Perfect for staining of new wood flooring, joinery, furniture and more.

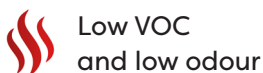

Available in seven beautiful colours. High opacity formulation for wonderful depth of tone. No visible brush strokes. Achieve great colour with just one passover (you'll need to use far less of this than regular off-the-shelf varieties).

For internal use. Easy to use - apply to bare wood with brush, spray or simply use an old cloth or rag. Dry in twenty minutes.

Ideal for use with our A/C lacquer or pre-cat lacquers.

*Please note final colour will be affected by the substrate, and also by the application of a lacquer. (images shown have been finished with our Silk single pack Furniture Lacquer).*

Low VOC and low odour

High solid content for better coverage and effective gap filling

UV and crack resistant

5-year protection

## PHYSICAL PROPERTIES

Flash point	n/a
Coverage	18m <sup>2</sup> /litre
Appearance	As per colour
Solid content	8%
Viscosity @ 23°C	17 seconds
Touch dry	30 minutes
Odour	Mild solvent
UN number	UN1263

## SURFACE PREPARATION

Remove all loose contamination from substrate such as dust and dirt. All surfaces should be grease free and sanded ready to be coated. Wipe the surface with White Spirit.

## APPLICATION

Suitable for brush, roller, rag or spray application. Allow at least 30 minutes drying time before sanding and overcoating (longer in temperatures below 18°C).

For airless spray use a 1.7mm or 1.8mm nozzle. If necessary, thin with Trade Coatings Thinner.

## STORAGE GUIDELINES

Store indoors, away from direct sunlight in original container, in a dry place at temperature between 5 and 40°C.

Keep out of reach of children.

Shelf life is 12 months under above mentioned storage conditions.

## FIRST AID

### EYE CONTACT

Remove contact lenses. Irrigate copiously with clean, fresh water for at least 10 minutes, holding lids apart. Seek medical advice.

### INHALATION

Seek fresh air, keep patient warm and at rest. If breathing is irregular or stopped administer artificial respiration. Give nothing by mouth. If unconscious place in the recovery position. Seek medical advice.

### SKIN CONTACT

Remove contaminated clothing, wash skin thoroughly with soap and water, or use a proprietary skin cleanser. Do not use solvents or thinners. Seek medical advice if symptoms persist.

### INGESTION

If accidentally swallowed, DO NOT INDUCE VOMITING. Keep at rest and obtain medical attention, show the container label. Protection of first aiders: No action shall be taken involving any personal risk or without suitable training.
