

# Check your ring size

Our rings are sized according to the EU ring size chart. Place one of your own rings on the circles below to decide which size you need to choose.

The orange line needs to stay visible when you place your ring on the circles. If your ring is between two sizes, we advise you to size up. Please note that the style of the ring can affect the ring size. With stacked rings, we advise to select a larger size than your regular size.

Please print this page without scaling. To verify if this page is printed correctly, use a ruler to measure the scale. It should correspond with the above mentioned 2cm.
