△ = Chlorine treatment possible. Please follow the handling instructions of the chemical manufacturer, as the fabric may be damaged otherwise.

¹Minimum order quantity for custom color, can be split into different sizes, but at least 40 pieces must be purchased per size.

Terry products have the property that they shrink after washing; see above tolerance for shrinkage. Therefore, we cut our bathrobes larger, so that the items fit to the specified size after approx. 3–5 washes.
