LIM

LIM

DESCRIPTION

LIM is a revolutionary ultra-slim LED task light that is as fun to use as it is functional. LIM's "L" shaped arm discreetly conceals an array of high-output LEDs and utilizes a magnetic attachment system for effortless adjustment. LIM is available in 3 models: LIM table, LIM floor, and LIM C under-surface.

DESIGNER

Pablo Pardo 2009

MATERIALS

- Aluminum arm
- Aluminum and steel table base
- Steel floor base

FEATURES

- Magnetic attachment
- Advanced LED array eliminates multiple shadows
- Hi-low dim control
- Ships flat-packed
