

Gallery Artist Application

Art Speaks gallery has a panel that juries artwork. This team will meet on an as needed basis. Please note that we have limited amount of hanging and storage space and may at times limit the amount of work we will accept. If your work is selected to be on display, we will retain a 38% commission upon sale of the artwork. If you work in multiple media, each medium will be evaluated separately.

In addition to the information on this form, please include your CV (Curriculum Vitae) and an artist statement. We also appreciate more informal insight into you and your work, such as stories about your artistic journey or creative process, and pictures of your studio or work in progress.

If your work is accepted please make an appointment for any deliveries of your artwork and send photos for approval. Work will not be accepted without an appointment, please do not walk in. If your work is accepted, please note that the gallery may have certain themes or will limit work to what is selling during a certain time of year. Please don't take offense if a piece isn't accepted at a particular time; you may be asked to bring it at a later date.

Please return this form, and the additionally requested information, to the Art Speaks Gallery or e-mail everything to the gallery coordinator, Jennifer Schroeder, at
