Family Art Festival Sponsorship Opportunity

Every year, The Bay School hosts a variety of events and programs which brings our community together to enjoy fun-filled creative experiences. Proceeds from these activities, including sponsorships from our generous partners, enable us to provide and expand art-based experiences for artists, young and old, including individuals unable to come to us.

We invite you to support this vibrant community by sponsoring The Bay School's 2025 Family Art Festival to be held in The Bay School's backyard. The festival is an afternoon of creative fun for the whole family and offers a variety of art and craft activities for children and adults, family-friendly games, live entertainment, food trucks, and beverages from the Gloucester Brewing Company.
