3. Titanium Chamber x 1
4. Glass Cap\* x 1
5. Glass Bubbler\* x 1
6. Charging Cable x 1
7. Charging Adapter x 1
8. Charging Base x 1
9. Concentrate Loading Tool x 1
10. Silicone Tether x 1
11. Cotton Swabs x 5
12. User Manual x 1
13. Quick Start Guide x 1

\*Each glass piece is hand blown and may vary slightly in size.

## QUICK START

- Fully charge the device before first use.
- Screw the heating chamber onto the Cira base.
- Fill the glass bubbler with water just above the air holes but below the fill line. Do not fill the bubbler while it's attached to Cira base.
- Use the concentrate loading tool to place concentrate into the heating chamber.
- Attach the silicone tether to the cap and the glass, and place the cap on top of the glass.
- Secure the glass bubbler onto the Cira base.

Attach silicone tether here

\*It is recommended to use Cira fixed onto the charging base and placed on a stable surface to prevent tilting.

- Press the  button for 2 seconds to turn on the device.
- Press "+/-" to adjust to a temperature that fits your consumption needs, then double tap the  button to start the session. The device will start preheating, wait 20 seconds to inhale.

- Press the  button for 2 seconds again to turn off.

#### **Attention:**

- The device will go into standby mode when the session ends.
- The device will turn off automatically if no activity is detected for 10 minutes after turning on or in standby mode.
- Cleaning is recommended after each use.

## **TEMPERATURE SETTINGS**

- Temperature range is from 450-1000°F.
- To adjust temperature
  1. Ensure the device is on. Press +/- to adjust temperature.
  2. Each temperature level differs by 10°F.
  3. Press the  button twice to start heating up when temperature is set.
- During the last 10 seconds of the session, the 15-second extended heating mode can be implemented by double pressing the "+" button.

## BATTERY & CHARGING

- To charge the device

1. Connect one end of the charging cable to the charging base and the other end to the charging adapter.

2. Alternatively, connect one end of the charging cable directly to the device itself and the other end to the charging adapter.

\*Due to safety precautions, the product cannot be used while charging.

- **Battery Level**

The OLED display will show the current battery level when the device is on.

## CLEANING: HEATING CHAMBER

- **Cleaning is recommended after each use.**

1. Heat the chamber to remove any residue stuck on the walls of the chamber.
2. Let the chamber cool down to room temperature and unscrew it from Cira base.

**Do not handle if hot.**

3. Submerge the chamber in 90%+ isopropyl alcohol for over 20 minutes, use a cotton swab to clean gently. Do not use water as there will be mineral residue that may affect the usage of the chamber.

**Isopropyl alcohol is highly flammable.**

**Let dry completely before using the device again.**

## CLEANING: GLASS COMPONENTS

- **Carefully remove the glass bubbler and the cap from Cira base before cleaning.**

1. Once removed, soak the glass components in isopropyl alcohol.
2. Rinse clean with water.
3. Allow glass components to dry thoroughly before re-attaching to Cira base.

## STORAGE

- Do not expose the device to direct sunlight, dust, moisture or mechanical shock.
- The device may no longer work properly if dropped.
- This product contains glass components. Do not place heavy loads on top or drop it.

## SAFETY

- Do not attempt to disassemble or repair the device as damage or personal injury may occur.
- Keep body parts, clothing, etc. away from the heat source to prevent scalding or damage to personal property.
- To prevent scalding, when the device is heating, do not remove the glass bubbler or touch the heating chamber.
- Use only the power adapter provided with this device to charge it.
- Do not use the device while it is charging.
- Make sure your hands are dry before touching the charging device to prevent electric shock.
- The device is not water-resistant and not recommended for use outdoors while it is raining, or in other circumstances where it may be exposed to water.
- Do not use while pregnant or breastfeeding.
- If any abnormality is observed, please stop using immediately and contact a professional after-sales service technician.

## FCC/ROHS/CE

- This device complies with part 15 of the FCC Rules. Operation is subject to the following

two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

- AUXO Cira is in compliance with RoHS and the council EMC 2014/30/EU.
- Environmentally friendly disposal:  
You can help protect the environment! Please remember to respect local regulations, and hand in any electrical equipment you wish to dispose of at an appropriate waste disposal center.

## WARRANTY

- Limited Warranty Coverage

AUXO provides a limited warranty on authentic products purchased from the AUXO official website and authorized offline stores against defects in materials and/or workmanship under normal use. In order to keep this limited warranty in effect, the product must have been handled and used as prescribed in the instructions accompanying this warranty. AUXO warrants only to the original purchaser of the product and the limited warranty is nontransferable. The limited warranty does not apply to products that were sold by any third-party resellers.

AUXO offers a 1-year limited warranty on the device. Glass bubbler, other attachments and accessories are not covered under the limited warranty.

In no event shall any recovery against AUXO exceed the actual price paid for the purchase of the product.

- Not Covered Under Warranty

This warranty does not apply to certain situations and conditions, including but not limited to:

1. Any AUXO product sold by an unofficial AUXO website or unauthorized offline store(s).
  2. Damage(s) caused by accident, abuse, misuse, negligence, flood, fire, earthquake or other external causes.
  3. Damage(s) caused by the device being exposed to or coming in contact with moisture (e.g., liquids, water, rain, extreme humidity, unusually heavy perspiration or other moisture), or extreme thermal or environmental conditions (e.g., sand, food, dirt or similar substances).
  4. Damage(s) caused by operating the device or charging adapter outside the permitted or intended use as prescribed in the user manual.
  5. Damage(s) in the heating chambers due to tampering or counterfeit or caused by filling with unrecognized or unauthorized materials.
  6. Damage(s) caused by modifications to alter functionality or capability.
  7. Cosmetic damage occurring through wear and tear, including but not limited to scratches, dents and broken plastic on ports.
  8. Any device where the serial number has been tampered with, erased or obscured, or is not genuine.
  9. Normal performance degradation of batteries. Please contact AUXO Customer Support for more information on battery degradation.
  10. Attachments and accessories.
- Obtaining Warranty Service

Please retain your purchase receipt or other acceptable proof of purchase for your records. If no purchase receipt or other proof of

purchase is provided, the warranty start/end dates will be determined according to the device serial number.

Contact the AUXO Customer Support Team and submit a support request to initiate the warranty service. We encourage you to include as many details as you can in the request, such as pictures and videos to help the team diagnose the issue.

An RMA (Returned Material Authorization) number and shipping instructions will be sent to you if the issue cannot be resolved. Following the shipping instructions, you will need to send the product along with the RMA number.

1. You must return your approved-for-warranty device before AUXO sends you a replacement on your warranty claim.
2. Customers are responsible for all shipping costs associated with the warranty process.
3. AUXO is not responsible for lost or damaged returns sent by the customer.

- **Return & Refund Policy**

Please carefully research the product you are interested in before purchasing.

Refunds are only available for new and unused devices purchased on [www.auxo-official.com](http://www.auxo-official.com) and must be returned to AUXO within fourteen (14) days of receipt. If the tamper-proof seal is broken, a refund cannot be honored. AUXO will not refund devices purchased through other authorized retailers; in such case, any refunds must be obtained from the authorized retailer whom you purchased the device from and will be subject to the retailer's policy on refunds.

Note: The customer is responsible for the return shipping fee.

- **Additional Warranty Terms and Conditions**

THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THIS CARD. AUXO DISCLAIMS AND EXCLUDES ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY, AFTER THE EXPIRATION OF 1 YEAR AFTER PURCHASE BY THE END USER. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

In no event will AUXO be liable for any special or consequential damages arising from the use of this product, nor for injury to any person, or any claim for damages arising from the use of this product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.
