NOURISH

“When we set out to build the new brand for Nourish, we were inspired by the image of a farmhouse set in the French countryside during the mid-war years. A time when it was common to row your own food and prepare each meal with adoration, a time where wealth was fleeting and family values ran deep. We envisioned a setting where luxe, yet old family heirlooms mixed in with weather worn country living - a sort of weathered luxury where nostalgia happily greets contemporary nuances.”

“I’ve organized many catered events but the customer service experience I had with Nourish was by far the best I’ve had in Vancouver. I was a high maintenance customer and the staff were patient with me and made sure everything was perfect. I will definitely use them again.”

TESTIMONALS

Dan and his team are friendly and professional. Their light and airy location was a wonderful venue for our photo-shoots. During our time in the space the staff were most helpful and willing to co-work with us, understanding our vision and goals. Too, we also thoroughly enjoyed their coffee and breakfast crepe!

Nourish Vancouver is a fantastic space! I had a private event in their cafe space and it was wonderful - we were well cared for and the food served was fantastic. Highly recommended! I also used Nourish's services for an outside catering event and I couldn't have been more grateful for their amazing service. So fantastic!

I am an Event Planner in Vancouver. I recently hosted a private event at Nourish Café. I found Dan and his staff very pleasant to deal with, and quick to respond to my questions/emails. The space itself, is beautifully designed and it is a great canvas to work with. I would gladly work with Nourish Café again, and I would recommend it to my clients.

Perfect for private functions. I hosted an evening for approximately 25 ladies and this venue was ideal. It is beautifully decorated with a warm french country vibe. The staff were super friendly and the food was delicious. I will definitely go back for lunch or cooking classes!
