Part # LPL-XG-CTRL-1

3YR WARRANTY

Go Green Eco-Friendly

ETL Listed Intertek

ASSEMBLED IN THE USA

J&J Electronic's ColorSplash® XG Controller provides complete control of ColorSplash® LXG Series pool and spa lamps, XG Series Pool and Spa Fixtures, and Fountain LED Light Fixtures. Control your ColorSplash® LED lighting from the palm of your hand, when used with your Bluetooth® enabled smart device. Can also be operated manually as a push-button station.

ColorSplash® XG Controller Features:

- Bluetooth Enabled - Free App to operate with your Apple® or Android™ Smart Device.
- Cost Effective - No need for an expensive automation system.
- Compact size - made to easily replace an existing light switch. Will fit most single gang junction boxes.
- Seamless Color Transitions with the touch of a button.
- Control any combination of ColorSplash® LED lights (up to 400 watts).
- User Friendly push button controls for manual operation.

J&J's ColorSplash XG Controller Operates ColorSplash fixtures and lamps
