## Important Information

- Always remove the oil before transporting the diffuser. Failure to do so will damage the unit.
- Keep the diffuser in an upright position.
- Ensure the oil bottle is properly aligned and tightly sealed or leakage may occur
- Immediately wipe any spilled oil with isopropyl alcohol to avoid damage.
- Clean unit every 2/3 months with **Aroma360 Pro-Pod Cleaning Solution**
- If motor not running open unit and inspect the metal prongs on the inside cavity of the device to make sure they are not pushed down as this will impede the operation of the pump/motor. If they are out of place, simply pop the prong up to restore connectivity.

The MichelAngelo comes with a 90-day warranty from the date of purchase and is only suitable for new machines and not for resold or second-hand products. The 90-day warranty provides replacement services and spare parts. All Pro-Pod oils (patent pending) are not included in the warranty and are sold separately.
