

SIZING CHART

METHOD 1

You already have a ring that fits you well.

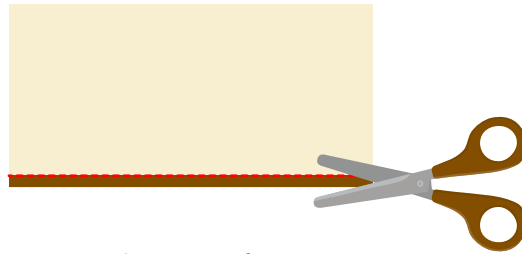

Place your ring behind a ruler and measure the widest inner part, Take the diameter measurement in mm, and then use our measurement-conversion chart to find your ring size.

METHOD 2

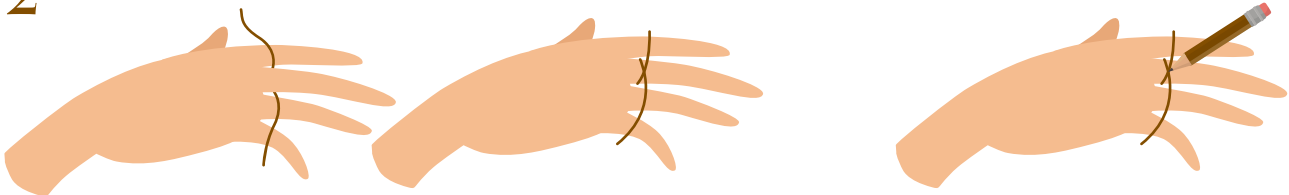

If You do not have a ring with you, No worries, Check out our easy ways.

1

Cut a thin strip of paper.

2

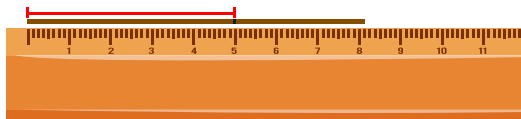

Wrap it tight around your finger.

*The ring will be as tight as you pull this, Keep it comfy.

Mark where the string or paper meets.

3

Measure the distance between marks with a ruler in millimeters (mm).

Find your measurement on our table below, and select your ring's size next to it.
