Facial Tissues  
Soft & Hygienic

## Soft and Hygienic Facial Tissues

Klean Facial tissues are soft and hygienic. Designed considering you and your family's everyday use and needs. The tissues are soft and provide a gentle touch to your skin.

## Natural & OBA Free Paper

The tissues are made from Natural Virgin Paper. They are free from Optical Brightening Agents (OBA), which are possible causes of skin irritations. This makes Klean Facial tissues safe for your skin.

## Highly Absorbent

Klean Facial tissues are made of 3-ply. These tissues are highly absorbent, providing it the capacity to lock in moisture.
