Klean Paper Towel Rolls are made from 20 GSM fabric, these towels are quite thick and strong and don't tear soon. They have high absorbency which allows them to quickly soak up water and clean up the spillage.

They are free from optical brightening agents (OBAs), dyes or fragrance. It is safe to come in contact with food and hence, a hygienic choice for your family.

Keep your kitchen clean and tidy with these tissues. Neatly wipe down kitchen counters, cookware and appliances easily on a regular basis.

100% Virgin pulp tissue

Layers: 3-Ply

Size: 23 cm x 20 cm (20 gsm) per sheet

Caution: Paper towels are not recommended for microwaves, conventional ovens or on stovetops. Follow microwave owner's manual precautions. If a fire starts, turn off microwave and leave door closed.
