In all presentations to prospective Affiliates, the most current, official Company-prepared “Earnings Disclosure Statement” (EDS) shall be provided to such prospects. The EDS will change from time to time to reflect updates in compensation figures. The latest version of the EDS is available in the Virtual Office. Because Affiliates generally do not have the information necessary to comply with such legal requirements, Affiliates may not make any projections, claims or estimates regarding potential or guaranteed income, or disclose their own income by showing checks, copies of checks, bank statements, tax records or other such documents.

2023 Potential Earnings Statement

The Think Goodness Affiliate program is flexible, fun and rewarding! Affiliates can earn a 15% commission on the retail customer orders placed on their referral link.

Financial results will vary depending on each Affiliate’s skill, effort, ability, and circumstance. Think Goodness does not promise or guarantee that every Affiliate will earn income.

Think Goodness does not require Affiliates to carry any inventory of product.

Affiliates who choose to terminate their Affiliate account with Think Goodness may do so by contacting the Care Team via the “Contact Us” form at the bottom of the site.
