There will be no make-up* for big fish Friday. Sunday June 4th** is reserved for the main event, should the event Saturdays event is postponed.

Check In: Boat live-well/cooler inspection and safety checks will start at 0500hrs. Normal tournament take-off time will be 0600hrs. **Boats will be released by order of registration number.** At the start, each boat's take off number is called from the Tournament Director's Boat. Each team must display their boat number and to the official starter and verify their starting flight and return time. If you are late to start, proceed to the directors boat and after the last number is called, you will be released. Your designated flight and return time will not be amended. Any boat that fails to make the starting call may be disqualified. All teams must return to the official checkpoint by their designated flight times(1500hrs,1515,1530,ect). Penalties will be assessed for late arrivals at a rate of .5 pounds per minute. After fifteen minutes the teams total bag will be disqualified. (Teams have the full minute to arrive safely. Any penalty will be assessed after the first full minute expires....ie. 3:00.01-59 seconds is ok....3:01 begins the penalty phase) In the event of a breakdown on the water, one team may transfer their teams fish (in a separate and closed/sealed weigh bag or suitable container) to another tournament boat and receive a ride to the weigh-in. Under this type circumstance, **all angling must cease for both teams involved.** Prior to moving fish or stranded anglers, the broken down team must make a reasonable effort to notify the tournament director the situation and circumstances.

Bag limits/weigh ins: Teams may bring to the scale **only five fish per team.** A minimum length of fifteen (15") inches per fish is required. All small fish will be measured on the official i1Baits Tournament measuring board by the tournament staff/director. If a team brings to the official weigh in area more than the tournament limit of five(5) or a short, less than fifteen (15") inch fish, that team will be disqualified. This is intended to be a live fish weigh-in. A penalty or deduction of .25 lb per dead fish will be assessed and deducted from the team's total weight. **Dead fish will not be included in the Lunker Pool and will not be used to break ties**

Pay-Outs: Payouts will be calculated based on the number of teams that participate, roughly 1 in 5. Entry fee for the i1 Baits Oneida Lake Walleye Open is \$325 per team. This covers the main event and Lunker pool. Big Fish Friday is a separate paid event as are all Calcutta style side bets. Boat launch fee is not included in either price, however it may be added if necessary. In the event of a tie for either 1st, 2nd or 3rd, the team's biggest single fish will be weighed. If the tie continues, a coin toss, best 2 of 3 with alternating teams calling will break the tie. For ties involving 4th place and below, tied awards will be combined and divided evenly between tied teams, with the lesser value
