Notes & Details

The Hakka Meat Mixer, Model FME50B, boasts a robust 85-pound/38-liter capacity tank, making it ideal for commercial use and large meat mixing tasks. Constructed from rust-resistant polished stainless steel, this mixer includes a stainless steel cover and removable paddles for effortless cleaning. It features a reliable gearbox and transmission gear, allowing seamless connection to a meat grinder. Operating at 110V/60Hz, this mixer ensures efficient and thorough blending of seasonings, water, and meat. Easy to use and maintain, it takes the hassle out of hand-mixing meat, making your sausage preparations quicker and more consistent. Rubber feet protect your counter, providing stability during use.
