OUR STORY

Secret Alchemist - a holistic wellness and self-care through metamorphic Aromatherapy brand.

We evoke an oasis of serenity and harmony within; Awakening your senses, Healing your body, and bringing Balance to your state of mind.

Our formulations of therapeutic ingredients boost everyday well-being and cater to daily stressors. From hair products to skin, we have everything that inspires rejuvenation and relaxation for today’s fast paced world.

WHAT IS AROMATHERAPY?

Clinical Aromatherapy is a natural method of healing a person's mind, body and soul. It can be described as a comprehensive treatment approach aiming at improving ones overall health and well being by using essential oils that strengthen the immune system, cleanse, open energy channels and stimulates the nervous system

HOW DOES CLINICAL AROMATHERAPY WORK?

The tiny molecules of essential oils enter the body through the skin, lungs and nose.
