A LEADER IN SMALL BOAT ADVENTURING

WHO WE ARE

WHAT IS UNCRUISE?

Head to where the big ships can't go. With UnCruise Adventures, there are set itineraries, but Mother Nature leads the way and in-the-moment changes will happen. No two departures are ever the same. And, your clients return home with tales to share.

Our 22 – 86 guest vessels are ready for action and equipped with top-of-the-line kayaks, paddle boards, hiking poles, binoculars, and many even feature a custom built kayak launch system. We provide the adventure, equipment, opportunities, fun, expert crew, expedition guides, and the vessel. The rest is up to you.

Alaska, the birthplace of UnCruise, was wide open for exploration in 1996. Innovation continues to be at the core of our motto. Driven by our commitment to leaving the charted course and exploring, the onboard crew has a fierce love of travel and a deep appreciation for the wilderness, wildlife, culture, and heritage of the places we visit. We're pretty proud to say this rubs off on our guests.

"My client reviews are 100% positive outstanding experiences and, they are planning return trips in other destinations! Having experienced UnCruise adventures myself, I would have to agree with the client reviews."

OUR CEO

MEET DAN

When it comes to Captain Dan Blanchard—he's the real thing. Dan grew up in Washington State, living and working on boats since he was a kid. He spent years exploring winding waterways, beachcombing on remote shores, oyster picking and clam digging, and learning to skin dive. Life on the water is part of his genetic makeup.

Dan was a Sea Scout, and National Boatswain Mate at 16. He received his ship Master's License at 18 and has gone on to live a storied-tale from owner of Blanchard Marine to Captain of sightseeing vessels to Director at Cruise West and Vice President of Operations; in 1999, he joined American Safari Cruise, he went on to acquire the company in 2008 launching Innersea Discoveries now known as UnCruise Adventures.

He is a natural storyteller, enthusiastic skier and cyclist, energetic hiker, world-explorer, accomplished sailor, ocean lover and lover of the natural world. He connects with nature and culture wherever he goes and in May 2013, he was adopted into a native Alaskan Tlingit tribe. He's living the dream he built around his passions and wouldn't have it any other way.

Almost 25 years of defining adventure with comfort

We started cruising in Alaska with just one yacht, but since, we've grown up a bit—more ships, new destinations, a broader range of itinerary choices—but what hasn't changed is the heart and soul of who we are and what we offer you. Memorable adventures in jaw-dropping scenic places. It's the people, the activities, the spirit of adventure.

UNPARALLELED VALUE

Place

Lost then found, then lost again.

And once there it has the potential to blow you away. A realization of your significance against the scale of the place you've found. It's hard to put in words, but you leave a piece of your heart.

Adventure

The urge to reach beyond the norm.

Explore – trying new things that stretch the mind and body – kayak, hike, chat up locals – that lead to the most exclusive discoveries and moments of excitement a traveler can imagine.

Connection

To mountain trails to footprints ashore -

between feeding whales and fleeting krill – there's connection. Places and adventures forever united by storytellers, fellow travellers, and salts of the earth. It's as old as time.

Why Us?

Your personal backstage pass to our three pillars of travel.

Small group travel – from the vessel itself to groups of a dozen or so afield puts you in on the action (not watching from afar), with AHA! and "I-can't-believe-I-just-did-that" moments around every corner.

COMPANY CULTURE

A company's culture, core values, stance on discrimination, how we treat one another—it all matters. At least we think so. Get to know us and become an UnCruise Citizen. UnCruise Adventures denounces all forms of racism, bigotry, and discrimination. We stand in solidarity with our employees, community members, and leaders in the fight to end systemic and passive racism, social injustice, and violence against the Black community and all who suffer from racism.

Three of our company's core values are "Do the right thing," "Be good to each other," and "Get a little better every day." These words are a start, but it is never enough to just say it—we must live it! We commit today and every day to learn, support, and play an active role in dismantling racism, systemic oppression, and discrimination in our world.

THE UNCRUISE CITIZEN

The UnCruise Citizen is all of us—guests, crew on board, and our office team. We cherish exceptional experiences in nature and the unique stories we share with one another. We embrace the diversity of humanity just as we embrace the mosaic of nature.

ACTIVITIES & ENTERTAINMENT

All ships carry expedition teams who give (often illustrated) talks, some based on what the bow camera catches and the underwater hydrophone sees and hears. They organize adventures ashore, guided shore walks and rigorous hikes and explain use of the available craft such as kayaks, inflatable skiffs, and paddle boards.

The fleet has stern boarding platforms and snorkeling is offered in short sessions, even in the Pacific Northwest and Alaska, using a supplied wet suit. The line's website features a comprehensive fleet amenities chart showing what's available on every vessel.
