

Studio Frame for Sony BRAVIA XR

Description

Transform Sony's BRAVIA XR 4K ultra-HD display into a beautifully framed work of art. Available for both 65" and 75" models, the Leon Studio Frame™ adds the finishing touch with a contemporary profile, integrated motion-and-light-sensor, and an exclusive TV app developed by Sony. Including a selection of 70 curated works of art—the Sony Art Frame Gallery app converts any BRAVIA with Studio Frame into a digital art display.

Standard Finishes

Studio Oak

Studio Walnut

Studio Matte Black

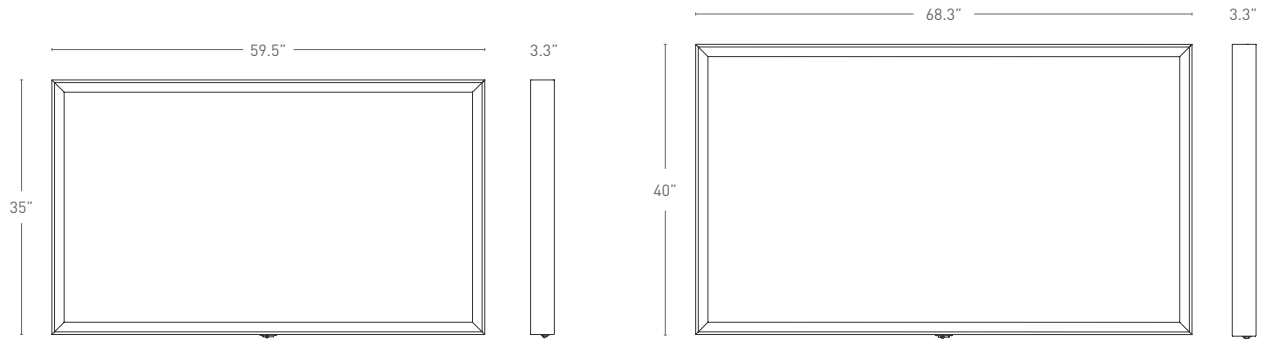

Studio Grain White

Key Features

- Premium frame designed exclusively for Sony BRAVIA XR display
- Frame ships flat packed and is easily retrofitted onto XR-65X93L and XR-75X93L TVs without removing display
- Features programmable Sony Art Frame Gallery app to transform BRAVIA XR into a digital art display—exclusively available with Studio Frame
- Includes 70 works of art from Sony's Alpha photography collection, The National Gallery Collection of Paintings, and an exclusive piece by Detroit-based artist Mike Han—or, upload your own images
- Built-in motion-and-light sensor turns TV off when a room is vacated and back on upon reentry
- Conceals mounting and wiring behind display with accommodations for passive ventilation

NOTE: To gain full functionality of your Sony remote control, you will need to add an IR repeater to your installation.
