- TV Sound Booster delivers a brilliant audio/visual experience⁴
- X-Balanced speakers deliver power, clarity, and distortion-free sound
- Personalize your sound with the compatible Sony Music Center app²
- With both microphone and guitar inputs, the XV900 is karaoke-ready
- Plug, play, and charge, with easy USB connectivity for your device⁸

Features

Fill your room with Omnidirectional party sound

With Omnidirectional party sound, feel the groove in every corner with six tweeters around the front, sides and rear for clarity¹.

Mid-range and vocals cut through, thanks to dedicated stereo drivers, and it's all backed up with punchy bass you can feel, thanks to an X-Balanced Speaker Unit woofer and Jet Bass Booster port.

Groundbreaking sound from our X-Balanced speaker unit

The unique rectangular design of the X-Balanced speaker diaphragm allows for a larger surface area compared to conventional speaker units. The 320 mm x 320 mm woofer unit enhances both power and clarity for distortion-free bass.

Crystal-clear sound from every angle

Our 3-way sound system delivers full, detailed sound—with an X-Balanced speaker, and Jet Bass Booster port powering quality distortion-free lows, and dedicated drivers bringing mid-range and vocal Clarity.

SONY

The party never stops

With up to 25 hours of battery life the XV900 will keep the party powered all night. ³

Get hours of music in minutes

A quick 10-minute charge is all you need for up to 3 hours of music. ³

Enjoy worry-free listening with battery care

The Battery Care function protects your speaker from overcharging, making it more dependable over time.⁵

Hear it like it's live

Switch on LIVE SOUND to create that concert atmosphere and re-live your favorite live music experiences.^{2,6}

MEGA BASS – Give your bass a boost

Level up the low end with the touch of a button.

Light up the night with omnidirectional party lighting

Immerse yourself in ambient light that fills your space with color. ^{1,2}

Big sound on the move

With wheels and a convenient built-in handle, the XV900 is ready to go where you go.

Total control, right at your fingertips

With the top touch panel, you're in complete control. Change modes, settings, and lighting with just a touch.

The TV Sound Booster takes music and movies to new heights

Sony's unique function, TV Sound Booster, lets you enjoy the enhanced sound of audio visual contents, such as live performance videos and movies.⁴ Owing to the deep bass and realistic high-frequency sound spread, you can get a true audio-visual experience which draws you right into everything you're watching.

The XV900 ramps up your TV sound with its 12.6 inch X-Balanced woofer and powerful midrange speakers, while tweeters on the side and rear fill the room.

Easily connect the XV900 to your TV with the included cable

Connect the XV900 to your TV using the supplied optical digital cable.

Activate the TV Sound Booster with the Music Center app

Take control—use the compatible Sony Music Center app to switch on the TV Sound Booster right from your device.^{2,4}

Activate the sound of XV900 and TV

SONY

1. Play video content on the TV
2. Use the TV remote to adjust the voice/dialog level
3. Using the Music Center app, boost the bass on your XV900²

Plug-and-play karaoke

Get the party started. Just pick your track, plug in a microphone, and sing. Because the XV900 has two inputs, you can also plug in a guitar and use the speaker as an amp.

BLUETOOTH® Fast Pair

Just one quick tap and the XV900 pairs with your Android™ device.⁷

Party Connect

Connect with up to 100 compatible speakers (Compatible models: xb43, xb33, xb33, xb23, xp700, xp500, xg500, xg300, xe300, xe200) and sync your music and lights to make sure everyone's dancing to the same beat².

Personalize your sound with the Music Center app

Optimize audio settings, select playlists, cue the next song and control Party Connect. Manage your devices right from your phone with the Sony | Music Center app.²

The Fiestable app makes it a party

With Fiestable, you can access DJ effects, karaoke, party lights, playlists, motion control, and more.²

USB Play & Charge Devices

Plug in and play music via USB, and use the XV900 to charge up your other devices.⁸
