

**Tool Suggestions:**

- Two Flat or Chain Nose Pliers
- Side Cutter

**DIY0011 - DIY Interchangeable Charm Necklace**

*Designed by Tory*

**Components List**

- (2) **A012845** - 5mm Rhodium Plated Rollo Chain
- (1) **Z014819** - 18mm Round Hinged Bail Clasp
- (2) **Z014788** - 24x10mm Hinged Bail Clasp with Connector
- (1) **Z014946** - 23mm Navy Enamel Moon Charm
- (1) **Z014341** - 18mm Stainless Steel Round Stars Charm
- (1) **X003062** - 5.5mm Silver Plated Jump Ring
- (1) **A008807** - 7mm Silver Plated Jump Ring

**Directions:**

1. Cut a short chain piece consisting of 6 links.
2. **Link One:** Open a small jump ring, slide on the stars charm and close the jump ring. Open the bail clasp with connector and slide on the jump ring with charm. Open a larger jump ring, slide through loop of bail clasp and close jump ring. Open another large jump ring, slide on the previous large jump ring and close the jump ring.
3. **Link Two:** Open another small jump ring, slide on the enamel moon charm and close the jump ring. Open another bail clasp with connector and slide on the jump ring with charm. Open another small jump ring, slide through loop of bail clasp, slide on one end of the short chain from step 1, and close jump ring. Open a large jump ring, slide through the other end of the short chain and close the jump ring.
4. Open another large jump ring, slide through one end of the longer remaining chain, and close the jump ring. Open another large jump ring, slide through the other end of the chain and close the jump ring.
5. Open the round hinged clasp, slide on both jump rings from step 4, Link One and Link Two. Close the hinged clasp.

NOTE: This necklace length is 22". If you need a longer necklace, start out with a longer length or if you'd prefer a shorter length, cut your chain shorter.
