Directions:

1. Open a jump ring and slide on the small crescent and through the hole of concave side on the medium crescent charm. Close jump ring.
2. Open another jump ring, slide on other hole of medium crescent charm and through hole of concave side on largercrescent charm. Close jump ring.
3. Open another jump ring, slide on other hole of large crescent charm and close jump ring.
4. Slide your 3 feet of chain through jump ring from step 3.
5. Use another jump ring to link both your chain ends together.

Note: Adjust necklace length to your preference by cutting off excess chain. For a shorter length of necklace, use a clasp to attach the chain ends.
