

## DIY0031 - Criss Cross Thread Cuff

### Components

**Z001860** - Gold-Plated Stainless Steel Beadable Cuff Bracelet

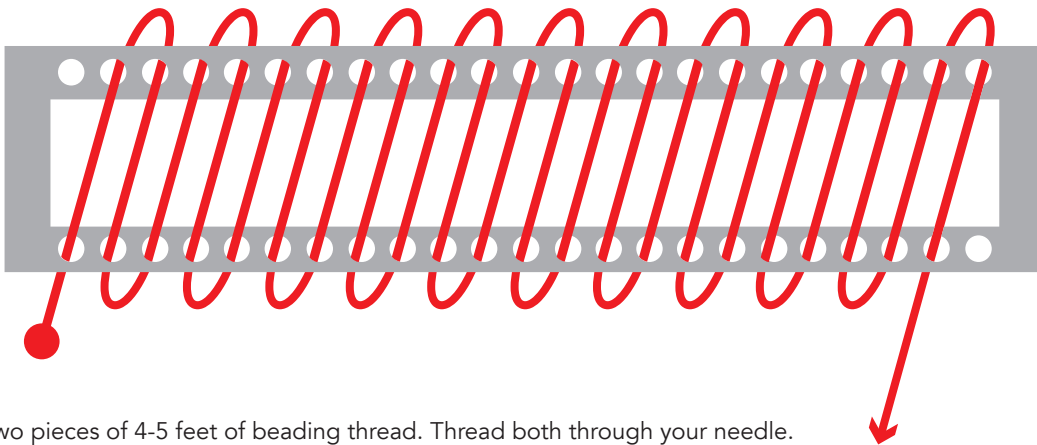

**Z017742** - Burgundy TOHO One-G Nylon Thread

**A006767** - Beading Needle

**A015821** - Super New Glue

### Instructions

1

Cut two pieces of 4-5 feet of beading thread. Thread both through your needle. Add a stopper bead, leaving a 5-6 inch tail.

Follow illustration to sew with a diagonal path.

2

Loop up through the last hole of your bangle and sew back in a diagonal, criss crossing the threads.

Tie off both ends and add a small dot of Super New glue after cutting off excess.
