Tool Suggestions:
- Cutter
- Flat Nose Pliers
- Chain Nose Pliers

Components List

- (1) Z011022 - 16mm Small Bright Gold Slide End Tube - 2 Pack
- (4) CH00723 - 1.5mm Gold Plated Diamond Cut Ball Chain
- (1) Z016754 - 9mm Gold Diamond Post Earring with Loop
- (1) A011517 - 4mm Gold Plated 20 Gauge Round Jump Ring
- (2) TC01208 - Clear Comfort Earring Back by Tierracast

Directions:

1. Cut chain with the following ball counts: 17, 23, 25, 31, and 35. Cut a quantity of two each for one earring.
2. Slide the following chain into the tube by hooking one ball inside the tube: 17, 23, 25, 31, 35, 35, 31, 25, 23, 17.
3. Close the other side of the end tube with a flat nose pliers.
4. Open jump ring and slide on loop of earwire and loop of end tube. Close jump ring.
5. Repeat all steps for other earring.
