

DIY0073 - DIY Crescent & Arch Earrings - Silver

### Components List

- (2) Z016775 - 33mm Antique Silver Hanging Crescent Connector Charm
- (2) Z015535 - 30mm Rhodium Plated Multi Layer Arched Charm/Pendant
- (1) Z011500 - 4mm Silver Plated 20 Gauge Round Jump Ring - 25 Pack
- (1) TCZ0078 - Sterling Silver Coil Earring Wire by Tierracast
- (2) CH00533 - 2.2mm Imitation Rhodium Plated Soldered Cable Chain
- (1) AW00097 - 26 Gauge Non Tarnish Silver Artistic Wire
- (1) ZIR3RL-F-RD - Zirconia Red 2x3mm (Synthetic) Faceted Rondelle - 15-16 Inch

Tool Suggestions:  
- Cutter for chain and wire  
- Round Nose Pliers

### Directions:

1. Cut Ten small pieces of chain (project image varies between 27-30mm) a little over an inch long.
2. Using a small piece of Artistic Wire, attach 2 Zirconia Rondelles to the end of 1 cut chain piece.
  - a. Add beads to Artistic Wire.
  - b. With a round nose pliers, curl up one end slightly to hold the beads on and create security, squeeze gently against stone beads with pliers.
  - c. On the other end, slide wire through end of chain and create a loop with the artistic wire using the round nose pliers.
  - d. Bend wire to 45-degree angle over the round nose pliers with fingers.
  - e. Slide the round nose pliers & grasp the 45-degree angle tail. Bring wire over the pliers' round nose to make a backwards question mark.
  - f. Switch the pliers' nose so that the bottom nose is in the loop that's been made. Wrap the wire end under the round nose and over the beads. The wire should cross over the bent 45-degree section leaving a gap below the loop.
  - g. Clamp the loop with a flat nose plier and grasp the wire tail with the tip of the round nose pliers.
  - h. In a clockwise rotation, coil the wire with your round nose pliers around the gap and down.
  - i. Clip excess wire
  - j. Repeat 9 more times.
3. Attach Ear wire to 33mm Crescent Connector Charm using two (2) 4mm Jump Rings.
4. Attach 33mm Crescent Connector Charm to top loop on 30mm Multi-Layer Arched Charm/Pendant using a 4mm Jump Ring.
5. Add 5 cut pieces of chain with gemstones to jump ring and attach to bottom loop of 30mm Multi-Layer Arched Charm/Pendant.
6. Repeat steps 3 thru 5 for the second earring.
