- (2) Z014398 12mm Stainless Steel Moon Charm
- (2) Z022124 18mm Silver Plated Stainless Steel Sun Burst Connector
- (1) A008799 5mm Oval Silver Plated 21 Gauge Jump Rings - 25 Pack
- (1) CH01156 8.4mm Rhodium Plated Small Paperclip Cable Chain

Tool Suggestions:  
- Chain Nose Pliers  
- Cutter for chain

Directions:

1. Cut 4 pieces of chain, 4 links each. If you want these shorter or longer, you can add more but be sure to cut them in even numbers.
2. Attach one piece of chain to each side of the half circle earring using the oval jump rings
3. Use another oval jump ring to attach the ends of the chains. Close jump ring.
4. Attach another oval jump ring to the star charm. Note that these charms look slightly different on the front and the back so make sure you have them facing the same way
5. Remove the small jump ring from the moon charm and add an oval jump ring to it and then attach to the bottom of the star charm.
6. Repeat steps 2 -5 for other earring.
