Directions for Wire Wrapped Beaded Jump Ring Dangle:

1. Grab 6 jump rings from the pack.
2. Use bent chain nose and chain nose pliers to twist open 4 of the jump rings
3. Use chain nose pliers to make sure the other 2 jump rings are closed tight
4. Cut 1 piece of 28 gauge wire about 10 inches long
5. Make 3 wire wraps in one of the closed jump rings, add 1 crystal, 3 wire wraps. Continue this pattern until the jump ring is wrapped all the way around. Trim the remaining wire and tuck end
6. Take one of the open jump rings and slip your beaded jump ring into it and close the jump ring and repeat step 5
7. Repeat steps 5 and 6 to make the third jump ring dangle
8. Repeat steps 1-7 to make a second wire wrapped beaded jump ring dangle

Directions for Wire Wrapped Ear Wire:

1. Cut 1 piece of 28 gauge wire about a foot long
2. Starting at the base of the ear wire, next to the ball, make 3 wire wraps
3. Add 1 crystal, 3 wire wraps, crystal, 3 wire wraps. Continue this pattern to finish the earring ending with the 3 wraps. When the earring is finished you should have 21 crystals per ear wire.
4. Add Jump Ring Dangle
