- (1) LAB4DH-F - Labradorite A 4mm Double Heart - 15-16 Inch
- (10) TC02908 - 4mm Gold Plated Heishi Disk Bead by TierraCast
- (1) Z017918 - 65mm Gold Plated Round Connector With Ball Chain Tassel
- (1) A019616 - 1.5 Inch Gold Plated 20 Gauge Eyepins
- (1) A019684 - 1.5 Inch Gold Plated Headpins 20 Gauge with Ball Top

Directions:

1. Slide the following onto one of the head pins: metal heishi bead, gemstone, metal heishi bead, gemstone, and one more heishi bead. Trim head pin and make a simple loop using your round nose pliers.
2. Attach this dangle to the loop inside the circle of the fringe component
3. Slide the following onto one of the eye pins: metal heishi bead, gemstone bead, metal heishi bead. Trim eye pin and make a simple loop.
4. Attach this dangle to the loop on the top of the fringe component.
5. Attached the ear wire to the other end.
6. Repeat all the steps to make the other earring.
