Directions:

1. Attach a jump ring to the loop on the lever back earrings and close the jump ring.
2. Using another jump ring, connect one end of the brushed silver disc connector to the jump ring in step 1. Close the jump ring.
3. Slide the following on to a head pin:
 - a. TierraCast hex heishi spacer
 - b. Oval Czech cat bead
 - c. TierraCast hex heishi spacer
4. Trim the head pin and make a simple loop or wrap loop if you choose.
5. Slide a jump ring on to the other side of the brushed silver disc connector from step 2, then through the loop on the head pin in step 3, and then attach it to the diamond shaped connector.
6. Open the loop on the chain tassel and attach it to the diamond shaped connector.
7. Repeat all steps for the other earring.
