2. Slide one of the Rhombus Czech glass beads on to one of the head pins. Trim and make a simple loop or wrap loop.
3. Using a jump ring, attach the Rhombus bead to one end of the chain.
4. Using another jump ring, attach the other end of the chain to the loop on the hoop.
5. Using another jump ring, attach one of the post earrings to the loop on the hoop.
6. Position the chain so it is dangling behind the hoop.
7. Repeat steps for the other earring.
