

ARTISAN  ROASTERS

**BOMBAY ISLAND**™

☉ COFFEE COMPANY ☉

## Serving Artisanal Coffee & a Lot More

Bombay Island was started in 2018 by chartered accountants and coffee lovers Rupal and Vineet Jain. The aim has been simple yet beautiful - to bring India's finest artisanal coffees to coffee lovers.

From sourcing and roasting the finest 100% Arabica beans in a humble roastery in Malad to serving amazing coffee & meticulously crafted treats here, we've come far.

Every food and beverage option in this menu has been conceptualized to charm your taste buds. We take pride in our work, from choosing the freshest ingredients for our sandwiches to baking out-of-the-world cheesecakes. From signature year-round dishes to festive specials, there's something for every palate.

To educate and elevate the experience of coffee lovers, we also organize workshops and training sessions. If you're interested in learning more about the same, please check with us at the counter or follow us on Instagram. :)
