

# VEST SHOULDER IMMOBILIZER

**EZYWRAP** designed the Vest Shoulder Immobilizer to be the best-in-class shoulder and arm immobilization solution for physicians and patients and useable off-the-shelf. The Orthosis is dynamic with a sling integrated into a Velcro pad with a positionable swathe for an exceedingly comfortable and secure fit. Our unique design includes a combination of quick-release adjustable buckles for tailored sizing.

Approved **PDAC** L3670

## INDICATIONS FOR USE:
