FCC ID 2AC7Z-ESPWR00M02
2AC7ZESPWR00M02, 2AC7Z ESPWR00M02, 2AC7Z-ESPWR00M02,
2AC7Z-ESPWR00M02, 2AC7Z-ESPWR00M02, 2AC7Z-ESPWR00M02
ESPRESSIF SYSTEMS (SHANGHAI) PTE LTD WiFi Internet of Things Module ESPWR00M02
1. FCC ID)
2. ESPRESSIF SYSTEMS (SHANGHAI) PTE LTD)
3. ESPWR00M02

An FCC ID is the product ID assigned by the FCC to identify wireless products in the market. The FCC chooses 3 or 5 character "Grantee" codes to identify the business that created the product. For example, the grantee code for FCC ID: 2AC7Z-ESPWR00M02 is 2AC7Z. The remaining characters of the FCC ID, -ESPWR00M02, are often associated with the product model, but they can be random. These letters are chosen by the applicant. In addition to the application, the FCC also publishes **internal images, external images, user manuals, and test results** for wireless devices. They can be under the "exhibits" tab below.

In the box

AC power adapter

End Plug
Factory Plugged in place here

PantryOn Bruno
(shelf A)

Where to place your PantryOn

On the wall using shelf brackets with solid platform.

On a kitchen island or a counter top.

In a cabinet.

Any space with a solid platform.

03

Choose location within Range of strong uninterrupted WiFi Router

04

How to place your PantryOn Intelligent Shelves

Do not place your PantryOn shelf on an unsupported surface.

For surfaces without uniform support, place PantryOn Intelligent Shelves on solid platform.

05

Initial Set Up

CAUTION

Make sure there are no items placed in any of the shelves prior the plug AC cord to the wall.

Connect the AC adapter plug into the pigtail plug protruding from the PantryOn shelf. Press together firmly until you hear an audible click.

06

Power Connection

Connect the AC adapter to an electrical outlet
