ABOUT US

UC Merchandise was established in 2014 as a production solution for the music merchandise industry. Focusing mainly on bespoke apparel and accessories, we have built strong relationships with our clients.

With ten years of expertise, we have kept the same consistent goal. Specializing in highly customizable products at a low minimum order quantity, we have made unique merchandise accessible.

We believe branded merchandise is more than just a “logo on a tee shirt.” We challenge our clients to think outside of the box when it comes to their product line.

UC Merchandise has expertise ranging from full sublimation to embroidery, covering diverse areas such as e-commerce and tour merchandise. Whether handling low quantities or orchestrating full-scale production, we have the experience to excel in every aspect of merchandising.

TRENDING OUTERWEAR

SHERPA JACKETS

Our 100% polyester sherpa 1/4 zip pullover is perfect for any winter holiday merch line. This item features artwork custom knit into the fabric, optional dyed to match nylon zipper pulls, custom front left chest pocket with embroidered text. This item can be lined with or without fleece for wearer's comfort. This jacket can be finished with custom woven size tags and care labels.

Sample Time: 10-12 days

Bulk Production Time: 4 weeks

Size: Customizable

Fabric: Customizable MOQ: 500 units

PUFFER JACKETS

As we enter the colder months our clients are always looking for more stylish jacket options and we think this lightweight quilted puffer jacket fills that void. This jacket features an embroidered sewn-on patch on the wearer's left chest along with both direct embroidery hits on the sleeve and back. This item is finished with customizable buttons, all over print lining, and a soft collar fabric for warmth and comfort. This jacket can be finished with custom woven size tags and care labels.

UC MERCHANDISE

ORDER QUANTITY

With MOQs around 100 units for most products, we allow client's both big and small to customize unique items.

SAMPLE TIME

With a sample lead time of 10-12 days, we allow client's the ability to engineer and approve their final product.

PRODUCTION TIME

With a production lead time of 2-4 weeks, we enable clients to hit tight deadlines, even with the most customized products.

PRODUCT QUALITY

With retail quality goods, we empower our clients to produce goods they, and their fans can be proud of.

COMMUNICATION

With fast and responsive communication, we give our clients the peace of mind that their goods will be made correctly and on time.

RELIABILITY

With experience in production for both Ecommerce and Touring, we have the expertise to deliver a consistent, high quality service for our clients.

SUSTAINABILITY

ORGANIC AND ECO-FRIENDLY OPTIONS

RECYLED FABRIC

At UC Merch, we take pride in our capacity to procure an extensive selection of organic, eco-friendly, recycled fabrics, and compostable packaging. From recycled cotton, polyester, to acrylic, we recognize the significance of minimizing our carbon footprint and employing sustainable materials. Collaborating with local fabric suppliers, our factories source raw materials adhering to the Global Recycled Standard (GRS), and we furnish transaction certificates to guarantee authenticity. Our TUV-certified compostable poly bags are customizable in size, providing an eco-conscious packaging solution for any project.

PRINT TECHNIQUES

FULL SUBLIMATION

Elevate your creative vision with full sublimation – the ideal choice for projects demanding captivating all-over prints. Experience the ultimate freedom of a print technique that knows no boundaries in terms of color, gradients, or design constraints. Full sublimation offers unmatched flexibility to give vibrant life to your artwork. Whether it's tees, jerseys, athletic wear, bucket hats, bandanas, or flags, explore the extensive array of apparel and accessories where we can apply the captivating sublimation process.

FULL EMBROIDERY

Explore an elevated level of authenticity with our production capabilities that bring your logos and art to life through embroidery. Whether you opt for appliqué, direct embroidery, or sublimated/embroidered patches, our advanced manufacturing machinery excels in capturing even the minutest details in your artwork. From UV color-changing thread to glow-in-the-dark patches and 3M reflective elements, we source threads that not only match your Pantone colors but also empower you to unleash your creativity and take an innovative approach to your merchandise line.

WOVEN OR KNIT

Elevate your merchandise with a touch of luxury by exploring our woven or hand-knit options, perfect for clients seeking a textured and sophisticated feel. This technique imparts a detailed and intricate appearance to your products. Whether it's blankets, headwear, or select apparel items, UC Merch offers the expertise to seamlessly incorporate woven elements, providing your goods with a bespoke touch and feel.

FINISHINGS

CUSTOM TAGS

At UC Merch, we recognize the significance of highlighting your brand, and our custom tags are designed to do just that. Whether you require a neck tag, size tag, hip tag, or wash and care instructions, we provide complete customization options to effectively market your product offerings. Choose from custom sizing and opt for either fully sublimated or woven tags based on your specific needs.

CUSTOM PACKAGING

Apart from providing full customization for your apparel and accessories, we extend a diverse selection of custom packaging solutions tailored to meet our clients' specific requirements. Our range includes custom printed boxes, clamshell packaging, poly bags, hangtags, as well as compostable and biodegradable packaging, offering limitless possibilities. Tailored to each project, our packaging options come in custom sizes and can be equipped with carton labels, barcodes, and packing slips for convenient receiving and unboxing.

SHIPPING AND DELIVERY

With over 10 years of experience, we understand the importance of meeting deadlines for E-commerce launches and touring artists. Our direct collaboration with leading freight companies ensures tailored shipping options to fit your timelines. Our team crafts detailed production and shipping plans to address your needs, working to overcome any potential shipping delays and ensuring on-time delivery to your final destination.
