Cocoa Nib  
& Sweet Cream

## A BLEND OF:

COLOMBIA  
PERU  
• & •  
GUATEMALA

Stingray is our blend crafted for iced coffee. We build this blend to be clean and smooth with bright fruit overtones to keep it refreshing. We're seeing notes of green apple, guava and kiwi with a foundation of cocoa nib and sweet cream.

This blend is comprised of coffees from Colombia, Guatemala and Peru. This coffee works really well whether you are doing a cold brew or flash chill method. It also works really well as a drip blend that takes milk quite nicely.
