Important Pick-Up Information - Please Read:

Pick-up for perennial plugs and flower bulbs will begin around early May. Pick-up for trees & shrubs will begin around mid-May. We will email and/or call you in advance to let you know when your order is ready for pick-up.

- For pick-up & transit, bring a towel (s) or a bag of mulch (per bare root tree and/or shrub) to keep the roots moist during transit.
- Ask to see our planting guide for supplies, soil amendments & fertilizer needed for planting.
- We also offer delivery & installation, call us at 518-642-3676 to learn more.

Spring pre-order sale ends mid-May. While supplies last!

Remaining inventory will be potted up & go up in price.

We also have other larger sizes available in container or field-dug root balls (B&B) that are ready to produce abundant fruit.
