

## Operating Instructions

EN | 3S-2061 3sixT Smart Stylus for iPad

### WARNING

- Read all instructions and warnings before using this product. Improper use of this product may result in product damage, excessive heat, toxic fumes, fire or explosion, for which damages you ("Purchaser") and not 3sixT ("Manufacturer") are responsible.
- Do not store the accessory in a high-temperature environment, including heat caused by intense sunlight or other forms of heat (heaters etc.).
- Do not place the device in fire or other extremely hot environments.
- Do not disassemble or modify this accessory in any manner.
- Do not attempt to power this device using any other method than as instructed explicitly in this user guide.
- This accessory is intended for adults and not minors. Failure not to follow these warnings is the sole responsibility of the purchaser, who agrees to indemnify the Manufacturer ("3sixT") for any unintended use/misuse by a minor.
- All products must pass through a thorough quality inspection at the time of manufacture. However, if you find that your device is excessively hot, is found to be deformed outside its regular appearance or is emitting smoke, immediately stop using the device and contact 3sixT.
